Y11 GCSE

Year 11 GCSE timetable will be finalized and distributed to students after February Half Term.

English Homework—All Years

This half term, all pupils have been issued with a blue sheet explaining all of the homework tasks for this half term.

One homework should be completed each week and written in the back of pupils' English books where the blue sheet has been stuck.

If pupils choose to type up their homework, then this should be clearly labelled and stuck in at the back of the book. We hope that this will help pupils to plan their time. It means that no pupil will miss a homework if they are absent and will remove confusion if pupils fail to write homework instructions down clearly.

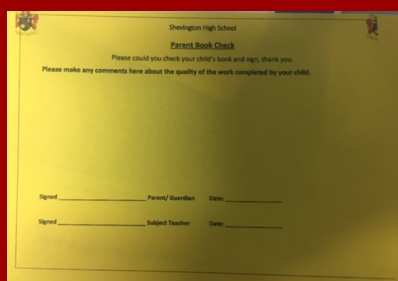

[Click here for:- English Homework](#)

We are happy for parents to support pupils with the homework where help is required and would encourage parents to discuss the homework and encourage all pupils to complete it to the best of their ability.

For a small number of pupils who may find some of the tasks a little too challenging, the class teacher will adjust the homework or suggest an alternative which will be recorded in their planners. We look forward to celebrating pupils achievements with them later in the term

Year 7 Books

Year 7 books will be sent home for Parents to review and sign on Monday 29th January. Please can all books be returned by Friday 2nd February

Year 11—Period 6

Year 11 period 6 classes continue. Please can you support us and your child attending these. They are class sessions and crucial learning will be missed if your child does not attend.

Attendance

Everything we do as a secondary school has to start with good attendance. Students can only achieve their potential, develop their abilities and work towards a positive future if they actually attend school. The moment that attendance begins to slide, everything else will follow. Students cannot achieve their full potential if they are absent . Wednesday 17th January 2018

"Wednesday saw the Y8 netball team working very hard in the Wigan Schools Netball league. We played against Cansfield High School and was SO unlucky to lose 4-2!

Our training really stood out within the game with the girls demonstrating a variety of set plays! Spectators also commented on how well the girls performed.

We then played a very physical game against Hawkley Hall and lost 3-0. The players of the matches where Hannah and Abbie, well done girls! We have no matches next week so let's continue training hard and go again on the 31st January!!"

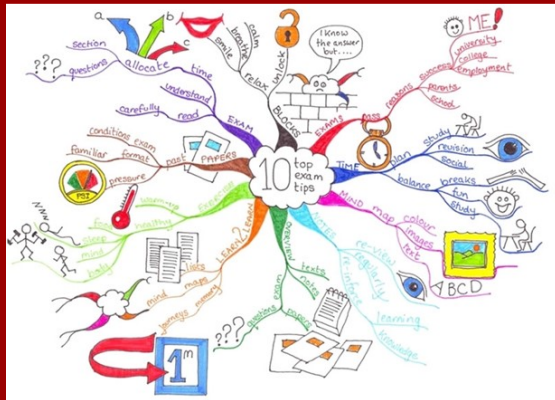

Thursday 18th January 2018

Last night the Y7 netball team played their first set of league matches. Having previously won both of their friendlies the pressure was on and the girls did not disappoint!! They played Cansfield High School and won 4-3 with Francesca being awarded POM. They then went to face The Deans Trust Wigan and won 5-1, POM being awarded to Lena. Well done girls, you where a credit to the school! Lets continue our hard work in the following weeks!

Revision Blitz

Year 9, 10 and 11 Revision Blitz 22nd January 2018!

Form tutors will deliver an inspirational revision skills lesson where they will be taught 4 key ways to revise a topic for their English GCSE, students will then move on to different subjects and be taught subject revision in ALL lessons that day, this will continue until Wednesday for some subjects. They will use the strategies learnt during period 1 amongst other subject specific strategies and will be tested at the end of the lesson to measure how effective they have been. With Year 10 exams beginning on 5th February and Year 11 trials on 26th February, we hope this will spur our GCSE students on with proactive and successful revision strategies they can use at home.

Parent Workshop

Y10 and Y11 GCSE Parent Workshop

Our first GCSE parent workshop took place last night with parents looking at the exams and trying out some questions and fun ways of revising. It was great to see a full hall of parents getting to grips with 'The Cold War' paper 2 of the History GCSE. Languages also delivered a workshop on the papers and plenty of top tips for revising the vocabulary including the amazing Quizlet. Next week is English and Maths on 17th. We hope you can join us. Keep an eye on the website for dates.
