News

Jeans for Genes Day

Jeans for Genes Day took place on September 22nd 2017. This annual event raises money for children who are born with genetic disorders. Children with these disorders, (caused by a variation in their DNA), are supported through this campaign by funding for care and support. The charity that we chose to raise money for was The Smith Magenis UK Foundation.

Both students and staff at school were given the opportunity to participate, by wearing their jeans to school and making a donation to a worthy cause. This year Shevington High School raised £520 towards Jeans for Genes! A big thanks to everyone for taking part!

WONDERFUL WISEPAY

Fed up of sending cash? Give Wisepay a bash!

All Parents/Carers should have been given login details to access the Wisepay System. You are now able to pay for trips and visits, food and drink, music lessons and Orrell/Pemberton bus via Wisepay!

This is now our preferred payment method at school. With a few clicks of a button you can process payments for all of the items above within a matter of minutes which means you as parents don't have to worry about cash or cheques going missing or waiting to be processed. It also guarantees your child's place on a trip as soon as the payment has gone through. As soon as you press submit it is actioned immediately.

If you haven't received login details or are having trouble accessing the system please contact school and speak to the Finance Department and we can resolve any issues promptly.
