Why did our current Year 7 Parents and pupils choose our school?

“The feel for the school from the moment you walk through the doors is very welcoming. Each child is encouraged to reach their full potential and I really hope this will be the case with my daughter’s learning journey. The headteacher tours are an excellent idea and very helpful when choosing a high school. Summer school is a fantastic idea and helped in some many ways with any fears and worries at ease once this week was completed. I am excited to see how things progress over the coming years.....”

“Smaller school setting. Impressed by the zero tolerance to bullying”

Why did our current Year 7 Parents and pupils choose our school?

“A number of reasons. A very strong Headteacher, a school on the up and really importantly, I felt that whilst there was a good emphasis on learning and results that it wasn't all about that it was about that, it was about creating rounded individuals who are better prepared for life after school.”

“Liked the fact the school is smaller than most. Felt all the staff came across as passionate about teaching/school and all took the time to speak to my child on the open evening. Mr Grant took us on a trip round the school during the school day and I was extremely impressed how he knew each child's name who we meet whilst walking around. The school has a family feel.”

Why did our current Year 7 Parents and pupils choose our school?

“Our son chose Shevington High School himself; we went to several open evenings and as soon as we came out of the open evening at Shevington he said this is the school I want to go to. His Dad then took him on one of the Head Teacher tours so he could see the school in action, and even though he was the only child going to Shevington from his Primary School he still wanted to go. We were also very happy with his choice, and truly believe he/we have chosen the right school.”

“Good standards, friendly and welcoming staff. Like the work ethic with children and sanctions to help them strive to achieve.”
