

# Say goodbye to queuing with the Fusion Mobile app!

We are excited to share with you our pre-ordering service that will allow you to purchase items from your school canteen using your mobile phone. Say goodbye to queuing with the Fusion Mobile app!

## *So, what can you do in the app?*

### Check your balance

That's right! No longer do you need to queue at a device in the school to check whether you have enough funds remaining to order that meal you've been thinking about; you can now check your balance at home or on the school bus, at any time of day.

### Order your food in advance

Obviously, the most important part of a pre-order app is the ability to order your food in advance, and you can do precisely that. Choose when you're ordering for, where you want to collect your food from, and then choose from our tasty menus and we'll take care of the rest.

Bring your phone with you to collect your meal to show your unique order number and our canteen staff will have your food ready and waiting for you to collect, no queues, no hassle!

### View your upcoming meal selections

If you've placed multiple pre-orders, it's easy to check what you've ordered from within the app. We'll show you all your meal choices along with your unique order number, so that when it's time to collect your food all you need to do is turn up and show your order number.
