

## Easter Y11 Revision and Catch Up Sessions

In order to support y11 revision, some teachers have been able to give some of their time during the Easter holidays to provide additional revision sessions. Students will also have been directed to key revision topics and material by their teachers this week, or will be able to find revision materials posted in the relevant Google Classrooms.

Pupils can choose to attend the in school or virtual sessions below. For Maths, students should only attend one of the 2 sessions. Due to building work on site during the holidays, it is important that students come into school via the main foyer at school, sign in at the sign in desk and look for the instructions about the room and the safe route to go to get to that room. Students must not wander to other areas of the school as many of the corridors will be affected by works in school.

We would like to congratulate students on all their hard work, and encourage them to remember to take some time for themselves to rest and relax alongside their revision as we know that they will have a busy and tiring summer term in the remaining weeks of Y11.

|                 | Subject                          | Teacher                              | Proposed room and times  |
|-----------------|----------------------------------|--------------------------------------|--|
| Mon 3rd April   | Music                            | Mr Beaton                            | Music room from 8-14:00, only 2-4 students max.                      |
| Mon 3rd April   | Art                              | Mrs Penman/ Mrs Green                | Art - 2 Classes<br>10am - 1pm  |
| Tues 4th April  | English - Virtual Online Session | Mr Lunt                              | 10am-12pm via Google Meet. Mr Lunt will send out a link.             |
| Wed 5th April   | Maths                            | Miss Atherton & Mrs Daniels          | 40 & 41 (MATHS)<br>Time 10am - 12pm                                  |
| Thurs 6th April | iMedia                           | Mr Chow                              | Room 10<br>10:00am - 12pm  |
