Dear Parent/Carer

In preparation for the up and coming year ahead, I would like to thank all parent/carers and students that have supported the Academy in striving for the best possible standards for attendance, uniform and behaviour.

With regards to uniform, a gentle reminder that students must wear black shoes (leather trainers are not allowed), a white shirt that is tucked in, a tie, black school trousers/skirt and a blazer. If students are late after 9:10am, caught wearing joggers or have a facial piercing this will generate an SLT after school detention.

We look forward to greeting all of our students back for the new school year in September. Have a wonderful summer.

Kind regards

Mr N Stafford
Vice Principal
