

I am currently an employee at Shirebrook Academy. I have worked at Shirebrook for over 30 years. I was born and raised in Shirebrook and educated at Shirebrook. I am now a governor at the Academy, I feel this role is important for the students, staff and the community.

I have many interests some of these are walking and experiencing the outdoors. One of the best experiences was 3 summer holidays supporting with fundraising in Gambia for the GLOVE PROJECT spending time working in the remote villages just outside Banjul.
