Dear Parent/Carer

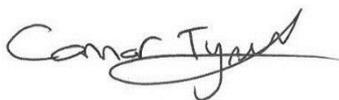

As you will be aware, Y11 students have recently completed a two week period of mock exams in preparation for their GCSE exams this summer. Research tells us that 'little and often' is the best way to approach revision, therefore it is vital that between now and the summer students are revising regularly and not leaving it until the summer to begin 'cramming' for exams.

To this end, I would like to take this opportunity to remind you of the 'Boost Your Grade' sessions being offered by departments to Y11 students in the run up to exams, both during lunchtimes and afterschool. These sessions will provide invaluable opportunities for students to receive support from subject teachers in targeted revision sessions. To provide an extra incentive, students who attend will also be given raffle tickets to enter into weekly prize draws.

A further incentive to attend BYG sessions is that students can 'claim back' attendance if they do not currently meet the 95% threshold for prom attendance. For example, if a student attends five BYG sessions, they can then be 'cashed in' for an extra attendance percentage point to ensure they meet the 95% attendance criteria to attend the Y11 prom on Friday 26th June, as long as their attendance is above 95% from this point onwards.

Thank you for your continued support with preparing students for exams and we hope to see many Y11 students taking up this opportunity.

Kind regards

Connor Tyrrell

Head of Key Stage 4
