

Child-Care Provision during the Coronavirus Emergency: Consent Form

Government advice states that every child who can be safely cared for at home should be.

However, if your child has an ECHP, a social worker or has been identified as vulnerable by school for any other reason you should have been contacted by us and advised that you are entitled to access child care in school if needed. If you think that you fall into this category and have not been contacted please email bnorman@shirebrookacademy.org.

In addition, if you work in one of the jobs specified on the 'key worker' list published by government and you have no other child-care, you may also send your child to school. If you are going to take up this offer and have not already done so, please contact us immediately at bnorman@shirebrookacademy.org

If your child will be accessing the child-care provision, you must complete this form and send it in with your child on Monday 23 March 2020

Student's name..... Form:

Emergency contact name..... Relationship to student:

Emergency contact numbers:

Medical information:.....
