

Governor Responsibilities for Shirebrook Academy Dec 2020

Rationale: Areas match OFSTED framework, prioritising Quality of Education and governor understanding of the intent and implementation of our curriculum. Statutory responsibilities are also covered. As QofE is the key focus for OFSTED and a large area two governors need to be attached, both of whom need to be senior, have a good understanding of the brief and be available for inspection. All governors will receive additional training on QofE and the named governors' additional detailed guidance. A template will be provided to standardise monitoring visits and reports.

Area of responsibility	Suggested Name Governors	Staff Link	Date/ Half-term of Visit (to be included on agenda of appropriate LGB meeting)
Quality of Education	Catharine Kinsella Andy Brickles	Mark Cottingham Helen Wakefield	Half-term 3
