We are asking residents of Bolsover District to fill in a short online survey to find out what skills they have. So, if you are aged between 16 and 66 (or older if still working) please fill in a short questionnaire telling us about your employment situation and a little bit about yourself by going to <https://bit.ly/2Nf0JQg>

If you would prefer to complete the survey by telephone, please call **01246 242217** or email lucy.sheppard@bolsover.gov.uk to make an appointment

We will use this information to try and attract funding to the District to enable the development of skills needed for local work, new employers to the District and a better future for all.
