Dear Parents/Carers of Year 9 students

HPV Human Papilloma Vaccine (letter sent on behalf of the School Immunisation Service)

Date: 19 May 2021

The School Age Immunisation Service (SAIS) will attend school on 19 May 2021 to vaccinate Year 9 students with the HPV Human Papilloma Vaccine.

The Immunisation Service have already got consent forms for the majority of Year 9 students and most have already been given their 1st HPV vaccination, however there are still some Year 9 students that would like their 1st HPV vaccination but were unable to receive this last year due to the COVID pandemic.

If you have already completed the HPV consent form the Immunisation service will vaccinate with either the 1st or 2nd dose of HPV on 19 May 2021 at school. However if you would like your child to receive their HPV vaccinations and you **haven't** already completed the consent form please visit [Vaccination Consent \(derbyshireandcityimms.co.uk\)](http://www.derbyshireandcityimms.co.uk) to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

Your unique school code for **Shirebrook Academy** is **DD136127**

For more information about the vaccination and the date we are due into your school please visit our website: <http://www.derbyshireschoolnurses.org.uk/parents/immunisations>

If you experience any problems please call the School Age Immunisation Team

Repton: 01283 707178

Clay Cross: 01246 252953

Note: the Immunisation Team will only visit the Academy once; any students that are absent will be offered a catch up clinic appointment over the school holidays. GPs will not be able to give these vaccinations.

If you would like to speak to someone in school regarding the above, please do not hesitate to contact us.

Yours faithfully

Lindsey Burgin, Assistant Principal ACET
