Sent on behalf of the Derbyshire Community Health Service.

Dear Parents/Carers

For the school year starting September 2021 we will be continuing with the e-consent for the Flu Programme. This year we will be offering the Nasal Flu vaccination to children in **Years; 7, 8, 9, 10 and 11.** **When completing the e-consent please state the year group your child will be in at the beginning of the school year September 2021.** Please visit <https://www.derbyshireandcityimms.co.uk/Forms/Flu> to complete the consent form.

If you wish to decline the Flu spray due to the porcine element we may now be able to offer an alternative injectable Flu vaccine that does not contain porcine. Please complete the consent form as a decline (due to porcine) and we will then contact you to arrange vaccination. For more information, please contact the team as below.
