Dear Parent/Carer

Lateral Flow Device Testing Programme

Thank you for your continued support with Covid-19 home testing. We know how important it is for you to be able to send your child to school.

Please encourage your child to continue testing and report results twice a week at home to lfctestresults@shirebrookacademy.org and www.gov.uk/report-covid19-result throughout the October half-term school holiday and take a test before returning to school on 1 November. Please report all results, even if your result is negative or void.

Your child has been issued home test kits from school. Please check if your child has received enough of these test kits to continue testing over the half term break. You can help them to take the test and report their results. Testing is free of charge. If you do still require more home testing kits to continue testing over half term, you can also order more online through gov.uk or collect from your local pharmacy.

By testing your child twice a week over half term, you will help us to reduce transmission of Coronavirus and keep your child in school to minimise disruption to their education and to you and your household.

Please contact me, if you have any question or concerns about home testing.

Thank you for your support.

Julie Stott

Lateral Flow Device Testing Co-ordinator
