Dear Parent/Carer

Did you know that Tuesday 8 February is Safer Internet day?

Do you feel confident to support your son/daughter to use the internet safely and responsibly?

Derbyshire Police will be in school during the week of 8 February delivering assemblies and drop-in sessions for students, but we want to make sure parents and carers are informed too, so we are running online parent workshops on Tuesday 8 February – we would love to see you there!

Two times to choose from – **1.30-2.30pm, or 5.30-6.30pm**

The session will include –

- A presentation from Sarah Duffton, who is the Digital PCSO for Derbyshire Police and will be delivering assemblies and running a drip in session in the academy all week
- Young people and the internet – opportunities and risks
- Social Media privacy settings
- If you are concerned about your son/daughter's activity online – who can help.

If you would like to attend one of the sessions, please email thorton@shirebrookacademy.org with your preferred time, and we will send you a link. The session will be delivered via Google Meet (but don't worry if you don't have a Google account, you will be able to join on your browser).

We look forward to meeting you on 8 February.

Yours sincerely

 

Cuan Jacques – Assistant Principal, Personal Development
Tracy Horton – Personal Development co-ordinator
