### Year 11 Information Evening

Dear Parents/Carers,

On **Tuesday 18<sup>th</sup> October, 6:00pm-6:45pm**, we will be holding a **Year 11 Information Evening** for parents/carers.

At this event, parents/carers will learn more about the curriculum in Year 11 and how to support their children in achieving success in the summer 2023 examinations. Details will be given regarding trial examination requirements in the run up to the exams, exam specification information, revision ideas and tips and further information about our 'Boost Your Grade' (BYG) Programme that is running on a fortnightly cycle for all students.

During the event there will be an opportunity to look at the key revision guides that will support your child in their studies and there will also be the option to purchase any guides, should you wish.

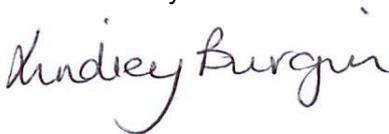

We would recommend that your children accompany you to the event. We will be issuing all students' Minimum Expected Grades (minimum targets) and their Y10 Trial Examination results so it will be a useful opportunity to discuss your child's progress with them. There will also be the opportunity to ask questions about your child's learning and find out more about GCSE and BTEC examinations in 2023.

If you will be attending the event with your child, we would like to ask that you send an email to [enquiries@shirebrookacademy.org](mailto:enquiries@shirebrookacademy.org) with your name, your child's name and a brief message confirming your attendance.

If you have any further questions about this event, please do not hesitate to email the contact address above where we will be happy to give further details.

We look forward to seeing you and your children at this important event.

Yours sincerely

**Mrs Lindsey Burgin**  
**Associate Principal**
