Dear Parent/Carer

Shirebrook Academy will be taking part in this year's Jeans for Genes Day on Friday 21st October 2022, all students are invited to wear their jeans or other denim clothes on Friday. Students are expected to wear full academy uniform aside from jeans including school shoes. Students taking part in Jeans for Genes Day will be expected to make a donation of £1 which form tutors will collect.

1 in 25 children has a genetic disorder that provides extra challenge in their life, this is the equivalent to one child in every class, by wearing denim and donating £1 we have the opportunity to help support and improve the lives of these young people.

Jeans for Genes day provide a wealth of powerful films and stimulus material which demonstrates how your child's donation will make a difference; please visit www.jeansforgenes.org for more information.

Thank you for your support, if you have any questions regarding this initiative, please contact Mr Foster in the Science faculty.

Yours faithfully

Mr. W Foster

Head of Science
