

# Year 11 Information Evening

---

Tuesday, October 18th

# Our Mission Statement

At Shirebrook Academy, we are committed to inspiring all members of our academy community to be the best that they can be.

We believe that having the highest ambitions and aspirations for our students will help them to reach their true potential, and we understand that this is achieved through a shared focus on excellent standards and expectations each and every day.

Our curriculum enables our learners to build their knowledge, understanding and skills over time and underpinning this is our dedication to high-quality learning and teaching.

We work together in a mutually inclusive environment that respects every individual and their contribution. We know that we all have a responsibility to support each other and enable everyone to access their learning opportunities effectively and safely.

Working in partnership with our local and wider communities, we aim to empower our young people in successfully taking their place in society. We appreciate that working together makes all the difference.

Shirebrook Academy aims to be:

***A community of inspiration, excellence and opportunities for all to grow.***

# Our Ethos & Values

1. We always allow ourselves and others to learn.
2. We show respect towards everyone and our academy rules.
3. We value everybody's contribution in our academy.
4. We keep everyone safe.

# Getting ready for the examinations

---

**REVISE BETTER  ACHIEVE  MORE**

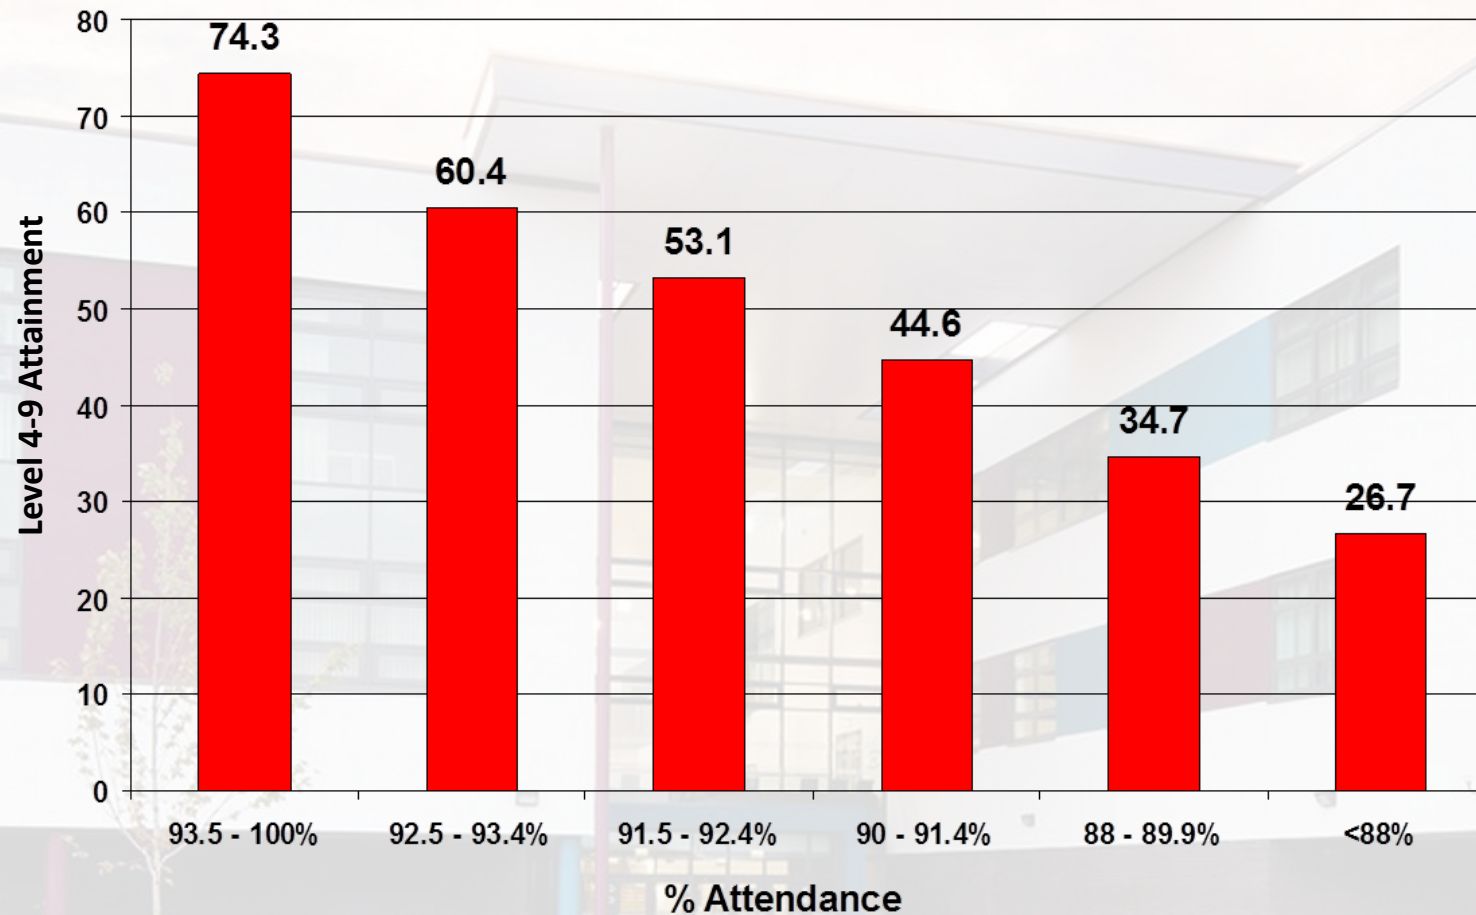

---

**8 school days till  
trial examinations  
start**

**146 school days till  
the Summer 2023  
examinations start**

# Attendance & punctuality matters

## Chances of Success at GCSE

# Maximum attendance = Maximum results

- Attend every day and be on time to Tutor time
- Passport to Prom 2023- requires 94+% attendance
- If you are ill, then on your return to school catch up on the work that you have missed
- No holidays at any time but especially in April, May and June 2023

# Obvious really...

The students that succeed in their examinations by and large (Shirebrook Super Seven):

-  Work hard and try their best in every lesson
-  Revise – with a clear structure/plan
-  Attend school – 95%+
-  Listen carefully in lessons
-  Behave in every lesson
-  Have a high standard of presentation in their books
-  Follow instructions

## What students said at the end of Year 11...

Please do not leave revision until last minute - not everything will stick.

Don't put an insane amount of pressure upon yourself. You can only do your best.

Revise from the day you start year 11 even if its just one hour it will all help.

# What students said at the end of Year 11...

Start revising as soon as you can - don't just start the night before - revise in effective ways

Stop stressing, it has a negative effect + get lots of sleep during exams.

Start early, the earlier you start, the less stress at the time

## Examination conditions

# Right – over to you

## **'Revision' task - Reading...**

**The most celebrated visitor to Galapagos Islands was undoubtedly the young Charles Darwin in 1835 on board HMS Beagle, commanded by Captain Robert FitzRoy. The ship was homeward bound after spending three years charting the coasts of South America from the Rio Plata round to Chiloe in southern Chile. In his travels ashore on the pampas of Argentina and in the Cordilleras of the Andes, collecting animals and fossils and studying the geology, Charles Darwin had been exposed to a wider range of phenomena than any previous scientist.**

**Upon his return Charles Darwin then settled down to write a fuller account of his theory in his book entitled "On the Origin of Species" which was released on 24 November 1859.**

# 'Revision' task – Quick Test...

# 'Revision' task – Key information...

## Parental 'Revision' task – Testing based...

The most celebrated visitor to Galapagos Islands was undoubtedly the young Charles Darwin in 1835 on board HMS Beagle, commanded by Captain Robert FitzRoy. The ship was homeward bound after spending three years charting the coasts of South America from the Rio Plata round to Chiloe in southern Chile. In his travels ashore on the pampas of Argentina and in the Cordilleras of the Andes, collecting animals and fossils and studying the geology, Charles Darwin had been exposed to a wider range of phenomena than any previous scientist.

Upon his return Charles Darwin then settled down to write a fuller account of his theory in his book entitled "On the Origin of Species" which was released on 24 November 1859.

# What research tells us about revision...

Plan your time and structure your revision sessions carefully.

Think about which subjects/topics you find most difficult.

Get your notes/books and revision stuff well organised.

Quiz/test yourself about a topic.

After a test: Revisit any areas you don't understand or didn't know.

# What research tells us about revision...

Get rid of all distractions!

Revise in a quiet organised place – think carefully about the best place in your house/school.

Music although enjoyable to listen to whilst revising – is actually a massive distraction.

Re-reading stuff over and over is simply not effective

---

REVISE BETTER  ACHIEVE  MORE

---

# SBA – Top Revision Tips...

- Focus your revision into 30min blocks.
- Don't give yourself too much to learn – be realistic.
- Testing and re-testing is the most effective way to remember information.
- Stay positive and stick to your plan.
- Ask your teachers for help.
- Start now – don't leave it too late.

## Eat the big frog first...

*If it's your job to eat a frog, it's best to do it first thing in the morning. And if it's your job to eat two frogs, it's best to eat the biggest one first.*

# How to eat the frog...

## 1. IDENTIFY YOUR FROG 🐸

a.k.a. your hardest, most important task for the day. Just one!

## 2. EAT IT 🍴

Do your most important task first thing.

## 3. REPEAT EVERY DAY 🔄

You'll be amazed how quickly small steps taken consistently add up to big accomplishments.

# Online resources to help...

<https://senecalearning.com/en-GB/>

# Final Examination

# Let's try again...

# Final Examination – Naughty Nine

1. What was the name of the Islands Darwin visited?
2. In which continent was the voyage coasting?
3. In what year did he visit the Islands?
4. What was the name of the boat?
5. Who was the captain of the boat?
6. How many years had the journey taken?
7. What did Darwin collect on the voyage in order for him to write his book?
8. What was the name of his book?
9. What date was Charles Darwin's book released?

# Final Examination – Naughty Nine > Examination ‘extended writing’ question

1. Explain in detail how Charles Darwin researched and evidenced his text, “On the Origin of Species”? (8 marks)

# Y11 Support Network - We're here to help!

- Form Tutors, Ms McAteer, Mrs Ward
- Leadership Team
- Teachers
- Heads of Faculty
- Miss Shaw, the Librarian
- Dr Mitton, SENDCo
- Mrs Sam- Safeguarding Officer
- Mrs Smith, Education Welfare Officer,
- Mrs Evans, Careers Advisor

# Help & Support

# Your Mental Health Matters!

- Time in Form and Personal Development to develop revision skills
- Time in Form/Assemblies/Personal Development to focus on wellbeing strategies
- Core PE every week to focus on physical and mental wellbeing
- Y11 Extra-curricular PE offer available
- BYG and holiday revision sessions to help structure and lead revision
- Library study space
- Rewards for attendance and BYG attendance
- Prom and end of Y11 celebrations<sup>26</sup>

# Inclusion at Shirebrook Academy – Year 11

---

# Inclusion vision and ethos

- An Academy which is **welcoming** and embraces **diversity**
- An Academy where Learning and Teaching systems **adapt** to students' **needs**
- An Academy where Learning and Teaching is **flexible**, **creative** and **relevant**
- An Academy where staff are **empowered** and **equipped** through **training** and CPD
- An Academy where a graduated response **supports** the all students
- An Academy where **inclusion** for **everyone** means **everyone** –

# Adaptive practice and additional support

- Foundation Learning, Grow4 and other bespoke inclusion programmes
- Alternative Provision for identified students
- Teaching Assistant support in identified areas
- High level of challenge to stretch all students to achieve their best
- Scaffolding and question to support learners with SEND
- Additional support after-school – Boost Your Grade programme

# Expectations and aspirations

- We aspire for all students to move on to further education or employment after Year 11 – including our students with SEND
- We aspire for all students to achieve well in all subjects, and in line with Age-Related-Expectation – including our students with SEND
- We enforce high standards and expectations for all students – including our students with SEND

**All exams will be at the end of Year 11. You will also sit an English Language GCSE.**

# GCSE English Literature exam you will answer three poetry questions for Paper 2

19

2 | 6

Compare the ways poets present the power of the natural world in 'Storm on the Island' and in one other poem from 'Power and conflict'.

[30 marks]

## Storm on the Island

We are prepared: we build our houses squat,  
Sink walls in rock and roof them with good slate.  
This wizened earth has never troubled us  
With hay, so, as you see, there are no stacks  
5 Or stooks that can be lost. Nor are there trees  
Which might prove company when it blows full  
Blast: you know what I mean – leaves and branches  
Can raise a tragic chorus in a gale  
So that you listen to the thing you fear  
10 Forgetting that it pummels your house too.  
But there are no trees, no natural shelter.  
You might think that the sea is company,  
Exploding comfortably down on the cliffs  
But no: when it begins, the flung spray hits  
15 The very windows, spits like a tame cat  
Turned savage. We just sit tight while wind dives  
And strafes invisibly. Space is a salvo,  
We are bombarded with the empty air.  
Strange, it is a huge nothing that we fear.

Seamus Heaney

Turn over for Section C

## Section B: Poetry Cluster

You will study 15 poems and will be given one in the exam that you will be asked to compare with another poem of your choice.

**30 Marks**

## Section C: Unseen poetry

Answer **both** questions in this section.

### How to Leave the World that Worships *Should*

Let faxes butter-curl on dusty shelves.  
Let junkmail build its castles in the hush  
of other people's halls. Let deadlines burst  
and flash like glorious fireworks somewhere else.  
5 As hours go softly by, let others curse  
the roads where distant drivers queue like sheep.  
Let e-mails fly like panicked, tiny birds.  
Let phones, unanswered, ring themselves to sleep.

Above, the sky unrolls its telegram,  
10 immense and wordless, simply understood:  
you've made your mark like birdtracks in the sand -  
now make the air in your lungs your livelihood.  
See how each wave arrives at last to heave  
itself upon the beach and vanish. Breathe.

Ros Barber

2 | 7 | . | 1

In 'How to Leave the World that Worships *Should*,' how does the poet present ideas about the way we live and work in the modern world?

[24 marks]

## Section C: Unseen Poetry

The first question will ask you to analyse a poem that you probably have never seen before.

**(24 marks)**

21

### The Rich Eat Three Full Meals

The rich eat three full meals, the poor two small bowls  
But peace is what matters.  
Thirsty, I drink sweet plum tea;  
5 Warm, I lie in the shade, in the breeze;  
My paintings are mountains and rivers all around me,  
My damask, embroidered, the grass.  
I rest at night, rest easy,  
Am awake with the sun  
And enjoying Heaven's heaped-up favours.

Nguyen Binh Khiem

2 | 7 | . | 2

In both 'The Rich Eat Three Full Meals' and 'How to Leave the World that Worships *Should*' the speakers describe attitudes towards the world around us.

What are the similarities and/or differences between the ways the poets present these attitudes?

[8 marks]

END OF QUESTIONS

## Section C: Unseen Poetry

The second question will ask you to compare the previous poem with another unseen poem.

**(8 marks)**

# What does success look like in English?

- Answer the correct questions for literature and ALL questions in English language.
- Write about the focus of the questions.
- Use textual detail to support your ideas.
- Use subject terminology to comment on the writer's methods.
- Remember the texts are constructs.
- Recall relevant contextual information relevant to the focus of the question\*

## Key phrasing from AQA for 5+

- Sustained and clear response.
- Integrated evidence to support ideas.
  - Relevant and accurate subject terminology.

## Key phrasing from AQA for 7+

- Detailed and perceptive response.
- Integrated evidence to support ideas judiciously.
- Ambitious and accurate subject terminology.

# Why should I attend?

Last year there were 41 regular attendees at Maths BYG.

Of those 41 students:

- 38 were on or above their Target Grade
- 26 were above their Target Grade
- 14 were 1 Grade above Target
- 11 were 2 Grades above Target
- 1 student was 3 Grades above Target

## In a nutshell...

- GCSE Maths broken down into easy-to-learn flashcards
- No in-app purchases, no subscriptions and no adverts
- Just answer the flashcards and the app will automatically tell you when to review them for effective revision
- The app works wherever you are – you can jump in and do a few cards on the bus or before bed

**Key Cards GCSE Maths  
Revision App**

**Only £1.79**

# Before you leave, please come and collect:

- Y11 priority lists for revision
- Revision checklist
- Maths revision websites
- Key cards GCSE leaflet

# GCSE Science at Shirebrook Academy

---

# Science in Y11

- BYG sessions run on Tuesday in week A – sessions are subject specific with topics posted in labs and the Science notice board ahead of sessions
- Drop in revision on a Wednesday morning in S4
- Friday lunchtime intervention by invitation

Combined Science HT/FT: 2 x GCSEs  
6 exams in total 70 marks per paper  
2 exams for each discipline with the total across all 6 resulting in an overall grade  
There are 21 required practical activities

Separate Science HT/FT: 3 GCSEs  
6 exams in total 100 marks per paper  
2 exams for each discipline with the total for 2 Biology exams resulting in 1 GCSE grade for Biology and so on  
There are 28 required practical activities

All exams have a mathematical element so calculator proficiency is essential  
Any questions please contact [Mr W Foster wfooster@shirebrookacademy.org](mailto:wfooster@shirebrookacademy.org)

# Science in Y11

- Past papers, the specification and a whole host of revision materials are available on the Science Google Drive (accessible through the academy website).
- The faculty Youtube Channel which has links to all required practicals is also available via the academy website

## Kerboodle:

All students have access to the textbooks and course materials via Kerboodle, a guide to accessing is available in the Science Google Drive – any issues please contact your Science teacher

## Revision guides:

These are the revision guides we make use of in lessons and are recommend as they include exam practice

Thank you attending this evening

---

Have a great evening.
