

Dear Parent/Carer

I am writing to tell you about Year 11 Results Day on 20 August 2026.

The school will be open from 8:00 am and from this time your daughter will be able to pick up her results. The Boundary Road entrance will be open and results envelopes will be available in the New Hall. There will be staff available to support your daughter.

If your daughter is unable to pick up her results in person, there are two options. She can request for the results to be emailed to her or she can arrange for someone else to collect them on the day. Either of these requests need to be made by your daughter to Mrs Folwell, our Examinations Officer via email (vfolwell@mary.havering.sch.uk). If your daughter would like someone to collect them, she will need to provide their name in the email and they should bring photo identification on the day.

Enrolment for Sacred Heart of Mary Girls' School Sixth Form will take place in the ISC/Library and your daughter may enrol as soon as she has collected her results. We are very proud of our outstanding Sixth Form and hope that your daughter will be able to continue with us.

I would like to thank your daughter again for the excellent behaviour and punctuality during the examination period. Finally, I hope that you and your daughter have a lovely summer.

Best wishes

Mrs Munday

Deputy Head Teacher
