

Simon Balle School Sixth Form Bursary

What is the Sixth Form Bursary?

Each year government funds are provided to the school to pass back to students in need of financial support. This money is used to support and improve the education outcomes of those most in need. We have chosen to specifically target those previously identified as Pupil Premium or Ever 6 FSM students as these are nationally accepted indicators of need, however any Sixth Form student can apply to the Sixth Form Bursary Fund.

The needs of each student are different, so students can apply for financial help towards any aspect of the education; this may include things like travel to school, books, art supplies, musical instruments, electronic devices, specialised uniform or kit, field trips etc.

The Process

The Sixth Form Bursary application form needs to be completed and returned to the Finance Office. Applications are then reviewed by the Sixth Form Learning Team and students may be called in for a short interview. We may require evidence of any welfare benefits that you may be receipt of. Once a decision has been made students will be notified by email.

The Application Form

'Why are you applying for bursary funding?' Your response to this question should tell us what you need, why you need it and how much it is.

'Other comments' Please use this space to make us aware of any other information you feel is relevant to your application.

To save the form, please 'print' it as a PDF or save as a PDF. You can then email this to finance@simonballe.herts.sch.uk or print off and hand into the Finance Office.

You are not limited to one application as there are likely to be costs arising throughout the year.

The application form is on page 2 of this document.
