

FIVE STEPS TO SAFER WORKING TOGETHER

- 1 We have carried out a COVID-19 risk assessment and shared the results with the people who work here
- 2 We have cleaning, handwashing and hygiene procedures in line with guidance
- 3 We have taken all reasonable steps to help people work safely from a COVID-19 Secure workplace or work from home
- 4 We have taken all reasonable steps to maintain a 2m distance in the workplace
- 5 Where people cannot keep 2m apart we have ensured at least a 1m distance and taken all the mitigating actions possible to manage transmission risk
