

SCIENCE TECHNICIAN - H4

35 HOURS PER WEEK OVER 5 DAYS

TERM TIME PLUS 2 WEEKS

START – SEPTEMBER 2022

Creating tomorrow's citizens today

A technician is required to support nine science teachers and join an experienced team of science technicians. The school has eight specialist equipped laboratories and is well resourced.

You will help to provide a comprehensive laboratory service to facilitate the teaching of science throughout the department. The successful applicant will have good practical, communication and organisational skills ideally with an A level in one of the science subjects or laboratory experience. The ability to work on your own initiative, within a team and to work to deadlines is essential as is the desire to work with students within a scientific setting.

This position would ideally suit someone who has experience working in a school in a similar role or a graduate looking to consider teacher training in the longer term.

If you want to work with highly motivated students in a school which is dedicated to creativity in teaching and learning please contact J Creasey
