Creating Tomorrow's Citizens Today

All through news

Despite returning less than 2 weeks ago, the term runs on at such a pace. Over many years, parents frequently talk of one of the strengths of Simon Balle School, is the communication between home and school. As we roll out our cycle of meetings we continue to run our academic consultation meetings online, using "school cloud". Many schools now are using this facility and most parents prefer the ability to talk to staff from the comfort of their own home. However, we still very much value face to face meetings; this is why each year group have opportunities for curriculum or pastoral information meetings held in school. A big thank you to the Y8 parents who last week not only attended our "connection" meeting but have overwhelmingly provided such positive feedback. The key messages of the evening were around assessment and learning as well as keeping the young people safe.

The school calendar each year is full of regular events. Last week was the ever popular "Volcano" day and from the onset of the all through school, some of our youngest children have joined with Y9 to learn more about volcanos. This year once again, the volcanos took a variety of forms; from models to pictures, cakes to explosive interactive designs. A wonderful and exciting day for all which has enriched the geography curriculum for Year 3 too.

Today, another important event will take place at school and no doubt we will share with you the details when we next communicate. As a school with little tradition (having been built in 1957) and wanting to establish community events which we believe share our values, several years ago we began to hold an annual "Remembrance Ceremony", held in the school playground. This year, now with so many young people and students on site, we will be holding two events. Once again, a group of students will take key roles, including this year two of our Ukrainian students who will read out the Ukrainian national anthem, as part of our ceremony.

If you are interested in learning more about any of the things we do, do ask your children or do not hesitate to contact myself or other staff as we are always happy to receive comments that help us to improve or suggestions.

May I thank the parents who responded to our latest call regarding recruitment of staff. Whilst currently we do not have many vacancies, we are eager to hear from people who might like to work with us. This makes it easier when things do crop up.

Sixth form at Simon Balle

We are pleased to announce our **Sixth Form Open Evening**. Please find all information [here](#), which takes place on **Wednesday 23rd November 5.30pm - 7.30pm**. Internal students in Year 11 and prospective external students are all welcome, so please do spread the word.

Great representation

We are excited to be writing to let you know that Mr Moss and I are engaging in a Hertfordshire-wide professional development programme across 2022-23 in relation to Great Representation at Simon Balle All-through School. Building on such important and impactful work last year, during which we achieved a silver accreditation for our Race and Conscious Equality Charter Mark, we are eager to continue to build on our journey. As you are all aware, at Simon Balle All-through School, we passionately believe that we are "creating tomorrow's citizens today". So we are asking ourselves what does that mean for race equity and equality? How can we continue to have a positive impact not just at Simon Balle but for all of our community and indeed society overall? What more can we do to promote our Simon Balle values of respect, kindness and hope for the future? We recognise that neutrality is not possible - instead we are instilling an anti-racist approach in all of our teaching and all of our pastoral education. From curriculum to PSHCE; from recruitment to leadership; from the voice of our students, parents,

staff and governors to our libraries, policies and assessment, this work is crucial to our moral imperative and our strategic planning. We will keep in touch through newsletters and our website here: <https://www.simonballe.herts.sch.uk/inclusion/equality/>

Statutory Admissions Consultation 2024/2025

School Admissions Consultation 2024/25

The consultation on Hertfordshire County Council's school admission arrangements for 2024/25 is open until 11 December 2022.

The county council proposes to:

- Reduce the published admission number (PAN) at 5 community primary schools for 2024/25
- Retain the remainder of the County Council's existing admission arrangements, including PANs, Relevant Areas and schemes of coordination for 2024/25

Go to www.hertfordshire.gov.uk/admissions2024 for more information about the consultation and to respond online.

**Have
your
say**

Consultations are also taking place on the admission arrangements for some schools and academies that are responsible for their own admissions.

You can also view the proposals for these schools at www.hertfordshire.gov.uk/admissions2024

Simon Balle All-through School is consulting on the proposed admissions arrangements for the school year 2024/2025 and is seeking responses from parents/carers, schools and community groups. The proposed changes are:

1. Changes to the sibling rule within and outside Hertford.

The reasons for the consultation are:

1. The Full Governing Body aims for the school to be for local children.
2. The Full Governing Body wishes to reduce traffic in and around the school to protect the safety of students
3. Hertfordshire County Council is a sustainable travel council and the school joins with its aims to protect the environment.

The consultation period takes place between 1st November and 12th December 2022. If you wish to make any comments regarding this consultation please email admin@simonballe.herts.sch.uk.

The proposed admission arrangements can be found on the school website (<https://www.simonballe.herts.sch.uk/admissions/sec>

[ondary-admissions/](https://www.simonballe.herts.sch.uk/admissions/sec)).

Simon Balle All-through School

Hertfordshire County Council is also running a consultation on the proposed admissions arrangements for community and voluntary controlled schools for the school year 2024/25 and is seeking responses from parents/carers, schools and community groups.

HCC's proposed changes:

1. To retain the remainder of the county council's existing admission arrangements for 2024/2025, including PANs Relevant Areas and schemes of coordination.

The consultation period runs until 11th December 2022. Please visit

www.hertfordshire.gov.uk/admissions2024 for more information and to respond online.

Children in need

At Simon Balle, we are committed to the incredibly important causes that Children in Need supports every year. A short summary is provided below, and we recognise the importance of our students understanding charity giving in these ways.

Payments, however big or small, can be made via ParentPay

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=9084>

Larch students will be able to wear 1 spotty item on the day, with their school uniform – spotty socks, spotty tights, spotty jumper- just think spotty!

At BBC Children in Need, the money raised by you is put to work throughout the whole year. The financial support is committed to funding grassroots organisations and project workers in every corner of the UK, who provide the vital relationships and support to help the children who need the support most. This helps them to be the best that they can be. Last year the charity helped nearly 460,000 children and young people to overcome their challenges. This included supporting children and young people living in poverty, providing emergency support to families in crisis, providing comfort to children feeling sad, lost and alone, helping children overcome social injustice and supporting children to feel safe and secure again. Here is a snapshot of the positive changes made:

179,000 have stronger self-belief

179,000 enjoy better relationships

150,000 have increased essential skills

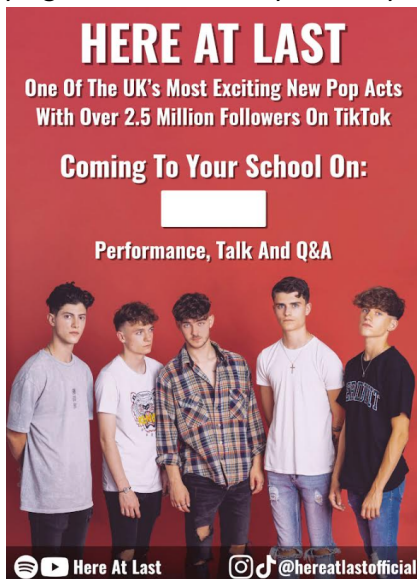

151,000 have stronger emotional wellbeing

83,000 are more empowered
 83,000 have better physical wellbeing
 32,000 are safer

Anti-bullying week

We will be supporting and promoting this year's Anti Bullying week, commencing on the 14th November. Odd socks day will start the week on Monday 14th November, This year's theme is 'Reach Out'. Students across all phases will be taking part in a number of activities that include quizzes, assemblies, surveys and student led activities.

On Friday students in Y7-10 will have the privilege of a live performance from the band 'Here at last'. They will then be delivering key messages about mental health, staying safe online and cyber bullying.

For anti-bullying week (14th-18th November) students will be completing the [SBAS Community and Kindness Calendar](#). The SBAS Community and Kindness Calendar helps to encourage everyone at Simon Balle to think about kindness because, as we know, small acts of kindness can make a big difference.

Each day of the week, students will write down all the ways in which they have been helpful at home, been kind to themselves, helped their classmates and their teachers, shown kindness in the community, and helped to protect the environment.

Antarctica day flag competition

On 1 December 1959, 12 countries signed the Antarctic Treaty – an international agreement to designate Antarctica as a continent of peace and cooperation.

Over sixty years on, the Antarctic Treaty has expanded to include 54 countries and continues to shine as a rare beacon of international cooperation. The Treaty governs much of the politics, activities and responsibilities within the Antarctic continent and waters south of 60 degrees latitude. For example, all scientific observations should be made freely available to all researchers, no military bases or weapons testing are allowed, and the dumping or burning of any rubbish is prohibited.

To celebrate this milestone of peace in our civilisation, the anniversary of the Treaty is recognised each year. The 1 December is celebrated globally.

We are looking for students to create a flag that represents Antarctica.

This will be taken to Antarctica by a research scientist. The scientist will send us back a photo of them with your flag in Antarctica.

How to enter.

On A4 paper make a flag that represents Antarctica. It must be as bright and colourful as possible. It needs to stand out against the snowy backdrop of Antarctica.

Please bring your entry to Mrs Ahmet or pass it to member of the Geography department
 Deadline 18th November 9.00am

MCR Pathways Mentors

Could you share an hour a week to be a mentor? You could help change a young person's life... No young person should feel alone. MCR Pathways provides support through pairing young people in secondary schools who are care experienced or who

have other areas of disadvantage in their lives with trained and carefully matched volunteer mentors. This one-to-one relationship is what makes the difference to their confidence and future. Take the first step to becoming a mentor today: <https://bit.ly/ShareAnHour>

The Autism and ADHD transformation programme, which includes Hertfordshire County Council, NHS trusts, HPCI and local voluntary organisations, has been working hard to improve services for families and young people. A key area of work has been ensuring you know where you can go to access support in your local area. This will hopefully help you get access to support as early as you can.

To find out more about the support available please watch this 3-minute animation or visit the Herts Local Offer.

PSA news

Doughies Pizza Event- 18th November

Last weekend for orders!

If you are a Doughie's fan or just love a good quality PSA pizza or cookie, then it's time to place your Doughies orders, for delivery on 18th November. Kits (vegan kits available) can be ordered directly from Doughies **before** 14th November, but please do remember to include your child's name and class.

<https://doughies.co.uk/products/simon-balle>

Important information: Named Larch Centre orders will be distributed via classrooms and sent home. Named orders from across the secondary phase are welcome but **MUST BE COLLECTED** from outside the reception office immediately after school on Friday 18th. Please set a reminder, as any unclaimed kits will be assumed unwanted after 4.30pm. They will not keep unrefrigerated over the weekend and we are unable to offer home deliveries or refunds.

Frost Fair - 10th December, 12-4pm

We have filled around a third of [volunteer slots](#) for the Frost Fair and are incredibly thankful to those that have signed up. Staff, students and family members from both phases, if you are able to cover a slot at the fair, please complete this form:

<https://forms.gle/vHLufK1XirYRswt8A>

Shortly, our **Winter Raffle** tickets will be available to both phases. With over 40 exciting prizes, ranging from £100 cash, dining vouchers and paintballing to hand crafted items carefully made by our stallholders, there really is a prize to suit all.

Pre-order your Frost Fair [tokens](#), before 2nd December, to save time queuing during the fair. Larch orders will be sent home via classrooms and secondary orders can be collected from the front office the week of the fair.

Attendance matters

Attendance Ladder

Regular and timely attendance is a critically important part of giving children the best possible start in life. Students who have attendance levels of 97% or above (our target for each child) will benefit from everything the Simon Balle community has to offer. The Covid pandemic disrupted attendance patterns in a dramatic way but we are now in the post-pandemic phase and it is crucial that we work together to support each child in reaching this target. Please remember that we are here to help.

Support for Autism and ADHD in Hertfordshire

<https://simon-balle-all-through-school-psa.sumupstore.com/product/frost-fair-token>

Our **artisan gin** is back by popular demand for the 2022 festive season. Made by our friends at Spirit of Hertfordshire, orders can be placed online and collected at the Frost Fair from the SoH gin stand. Select local pick up at check out and note Frost Fair collection. 18+ only.

<https://spiritofherts.co.uk/product/simon-balle-hertford-festive-gin/>

Save the date! **9th December**, the day before the Frost Fair, we will be inviting Year 7 to take part in a House Hammer competition and for the Larch to take part in a sweet treat or bottle donation day. More information to follow!

SIMON BALLE PARENT STAFF ASSOCIATION NEWSLETTER

18th November Doughies Our next pizza and cookie event is booked! Open to all, booking close on 14/11/22

9th December Y7 House Hamper donation day. Larch festive accessory day for bottle donations.

10th December Frost Fair and Festive Market. 12-4pm. Join us for an afternoon of festive fun and shopping.

DOUGHIES PIZZA

If you are a Doughie's fan or just love a good quality PSA pizza or cookie, then it's time to place your Doughies orders, for delivery on 18th November. Kits (vegan kits available) can be ordered directly from Doughies before 14th November, but please do remember to include your child's name and class.

<https://doughies.co.uk/products/simon-balle>

Important information: Named Larch Centre orders will be distributed via classrooms and sent home. Named orders from across the secondary phase are welcome but **MUST BE COLLECTED** from outside the reception office immediately after school on Friday 18th. Please set a reminder, as any unclaimed kits will be assumed unwanted after 4.30pm. They will not keep unrefrigerated over the weekend and we are unable to offer home deliveries or refunds.

Frost Fair Volunteers

We are looking for a good number of student, parent and staff volunteers, from both phases of the school, to assist with this year's magical Frost Fair on Saturday 10th December, 12-4pm. If you are able to volunteer before, during or after this event, please complete our form. See school newsletter for link or email psa@simonballepsa.org.uk

Students that sign up AND attend their slot(s) will receive house points. Please check with your family before signing up.

[psa@simonballepsa.org.uk](https://www.facebook.com/simonballepsa)
[simonballepsa.org.uk](https://www.facebook.com/simonballepsa)
[Facebook.com/simonballepsa](https://www.facebook.com/simonballepsa)

also consult with other local schools. If conditions pose a significant risk, the school or parts of the school will close. There is a robust system for notifying families which includes: news of any school closure or part school closure will be made available to parents via the school website, www.simonballe.herts.co.uk. We will also send email notification to parents and students as well as updating our social media pages.

Monday 23 rd to Friday 27 th	Oct Half term
Friday 24th November	Occasional day 1
Monday 27th November	Occasional day 2
Tuesday 28th November	Inset 2
Friday 22nd December	End of term
Monday 8th January	Term starts
Monday 19 th to Friday 23 rd	Feb Half term
Monday 26th February	Inset 3
Thursday 28th March	Term ends (Good
Friday 29th March)	
Monday 15th April	Term starts
Monday 6 th May	Bank holiday
Monday 27 th to Friday 31 st	May Half term
Friday 19 th July	End of term

Secondary news

Christmas lunches

The secondary Christmas lunch will take place on Tuesday 20 th December. Tickets, priced £3.75 are on sale now and must be bought before Thursday 1st December so we can place our food order in sufficient time. The Christmas lunch is a very special event and last year more than 750 students enjoyed a traditional Christmas lunch, with the hall and dining room decorated, staff serving and festive music being played. Vegetarian and gluten free options are available. Please pay via ParentPay. The canteen will not be serving any other food and will be closed on the last day of term.

Sport news

On Wednesday we hosted the Secondary District Cross Country Championships on the school fields and with great success. Out of 7 races we had 5 teams finish in second place overall, which is a great mark of consistency. These were;

- Y10-13 Girls
- Y10/11 Boys
- Y8/9 Girls
- Y7 Boys
- Y7 Girls

Individually Sylvie S (Y8) ran a great race, to win the overall title and is still in this age-group next year. Anthony M (a member of the Y7 boys team) hit the front from the very start and maintained his electrifying pace all the way to becoming District Champion in a highly competitive field. Finally Cora N in the Year 7 girls race, had a close battle with a Presdales girl and her endeavour was amazing, winning a sprint finish to become the Year 7 girls District Champion. We are so proud of all who took part- well done.
