Creating Tomorrow's Citizens Today

## Attendance Newsletter 29th September

Please take a look at our current attendance statistics to compare to your child's attendance so far this year. We have set ourselves a target of 97% across the whole school and currently we are close to this as September comes to an end. Please support the school to achieve our aims by:

- Ensuring your child comes into every day where they are medically well enough - [see guidance](#)
- Avoiding booking medical appointments during school time
- Avoiding booking any term time holidays

There are 195 days in a school year. This leaves 165 days for appointments and holidays.

Please look out for our new 100% Club attendance initiative which will be launched in the coming weeks. This will work on the premise of students achieving 100% in a given week in order to be entered into our prize draw. We hope this reward for great weekly attendance will be appreciated by our students - more to come on this in the next newsletter.

***High Attendance. Excellent Achievement. Positive Wellbeing***
