

S. Peter's Collegiate School

A Church of England Academy

16 November 2020

Dear Parents/Carers

I am writing to inform you of our decision to close the school for students in **Year 12 until Thursday 26 November 2020**. This will take effect from **Tuesday 17 November 2020**.

Unfortunately, an increased number of teachers have been told to Self-Isolate and the picture has developed somewhat over the weekend.

Our school Coronavirus Contingency Policy, together with our Remote Learning Policy, will come into immediate effect for those students (and these policies can be found on the school website for your perusal). Students will be able to follow the curriculum in their subject areas through Google Classroom by 08:00am each morning and this will confirm whether their normal timetabled lesson will be a virtual one with a member of teaching staff, or whether work will have been set ready for them to access via the website. Students must continue to submit their completed work to their teachers via their school email account.

For those students who are keyworker Students (ie emergency services, NHS or school based staff) or those with an Educational Health Care Plan, we would request parents/cares contact Ms K Glover on kglover@speters.org.uk to confirm whether their child will need to come to school as usual, as we will of course be able to assist with their attendance once again.

For any student who is in receipt of Free School Meals, we will again provide an online link for a supermarket voucher of your choice to the value of an additional £21.00 in order to meet our obligation in providing food whilst your child is not in school.

We will continue to monitor this situation carefully and should there be a change to this arrangement then we will let you know as soon as possible.

I recognise the disruption that this decision may cause you, however, please rest assured that it has not been taken lightly and ensures that we continue to put the safety and well-being of all members of our school community first.

Thank you for all your continued support and understanding in these very challenging and difficult times.

Yours sincerely

J Arnold
Principal.
