

# St Peter's Collegiate Academy

'In everything, do to others what you would have them do to you' Matthew 7:12

January 2022

COVID – Update

Dear Parents/Carers,

Due to the effect that the omicron variant is having on staffing levels, we are going to review today whether we will have to ask a year group to work from home over the next few days.

Several staff members have recently had to isolate after testing positive and the availability of agency supply staff is currently very low as they are in such high demand across Wolverhampton.

If the decision is taken to instruct a year group to remain at home, their lessons will revert to virtual learning as was the case in previous national lockdowns.

I would ask you to visit [speters.org.uk/home-learning/](https://speters.org.uk/home-learning/) where there is a complete guide on how to access remote learning for both students and parents. Should anyone have any issues regarding remote learning we ask that you contact the school on [speters@speters.org.uk](mailto:speters@speters.org.uk).

Please can I encourage you to check both the school website and your email for further updates, we will endeavour to provide as much notice as possible for any decisions that have to be made.

Mr Arnold - Principal

Principal Mr. J Arnold B.ED, NPQH
