'Life in all its fullness'

Position: Teacher of Science

Academy: St Peter's Collegiate Academy, Wolverhampton

Salary: TMS/UPS

Contract: Full time, permanent

Start date: 1st September 2022

St Peter's Collegiate Academy are looking to recruit an ambitious and passionate teacher with excellent subject knowledge to join our enthusiastic and experienced Science department.

The academy is extremely popular in the city with over 1,300 students on roll (11-18) and situated on Compton Park, Wolverhampton with extensive facilities that are used by both the academy and wider community. St Peter's will see a partial rebuild in 2024 which will rejuvenate the entire site; the science department in particular will benefit from 11 brand new state of the art specialist laboratories as part of the project.

The successful candidate will have the ability to inspire and motivate our young people, raising their expectations and standards so that they can fulfil their potential across the 11-18 science curriculum.

This position would be suitable for an Early Career Teacher (ECT) who will benefit from a personalised induction process.

Further details are available in the accompanying job description.

Completed applications should be returned electronically to Mr S Blews, Academy Business Manager: recruitment@stpetersacademy.org.uk

Closing date: Tuesday 17th May 2022 at 9am

Interview date: w/c 23rd May 2022

Three Spires Trust is committed to safeguarding and promoting the welfare of children and young people/vulnerable adults and expects all staff and volunteers to share this commitment.

This position is subject to a criminal records check from the Disclosure and Barring Service (formerly CRB) which will require you to disclose details of all unspent and unfiltered spent reprimands.
