## Position: Teacher of Physics

**Academy: St Peter's Collegiate Academy, Wolverhampton**

**Salary:** TMS/UPS

**Contract:** Full time, permanent

**Start date:** 1<sup>st</sup> September 2022

St Peter's Collegiate Academy are looking to recruit a highly qualified and skilled Physicist to join our enthusiastic and experienced Science department.

The academy is extremely popular in the city with over 1,300 students on roll (11-18) and situated on Compton Park, Wolverhampton with extensive facilities that are used by both the academy and wider community. St Peter's will see a partial rebuild in 2024 which will rejuvenate the entire site; the science department in particular will benefit from 11 brand new state of the art specialist laboratories as part of the project.

The successful candidate will teach A Level Physics, and our high performing GCSE Separate Physics groups.

This vacancy offers an exciting opportunity for an experienced colleague looking to broaden their experience as a full time, permanent Physicist. Alternatively, we would welcome applications from new entrants to the profession seeking to specialise in a well-established department.

Further details are available in the accompanying job description.

Completed applications should be returned electronically to Mr S Blews, Academy Business Manager: [recruitment@stpetersacademy.org.uk](mailto:recruitment@stpetersacademy.org.uk)

**Closing date:** Tuesday 17<sup>th</sup> May 2022 at 9am

**Interview date:** w/c 23<sup>rd</sup> May 2022
