

### Welcome Back:

I'd like to start the year with thanks, to both our students and staff. It has been an excellent start to the new academic year. Our students have returned to school with a renewed sense of purpose and aspiration, and this has been inspiring to see. The year promises to be full of exciting challenges and we look forward to sharing our successes with you all. If we can be of any assistance during the year, please do not hesitate to reach out.

### Christian Distinctiveness:

#### Words to Live By

"Those who aim at nothing, often achieve it!"

How satisfying is that? Having **something** to aim for in life however, brings fulfilment.

At St Peter's Academy we aim to encourage each other to seek God and serve the community. Jesus commands us **"Love the Lord your God with all your heart, all your soul, all your mind and all your strength and love your neighbour as yourself."**

(Mark 12:28-31)

Choosing to **love God with all we have** means also choosing to demonstrate love for our neighbours, treating them as we would want to be treated ourselves. A decision that should impact our actions, words, and lifestyle choices.

Jesus concluded that **"there is no commandment greater than these."** It is only as we allow God's Holy Spirit to influence us, that we can truly find fulfilment with such a life of faith and worship. What are YOU aiming for?

# Student Spotlight

## Harneet Carries the Commonwealth Baton

Well done to Harneet who was selected to carry the Commonwealth Baton in the run up to the Commonwealth Games.

The baton travelled across 72 countries before making its way to Birmingham for the Commonwealth Games.

Harneet was selected because he has shown outstanding commitment to his studies and is an inspiration to others in the way he conducts himself and helps others.

## Rose Arnott Swims for Britain

Congratulations to Rose who represented Great Britain in the 2022 Maccabiah Games in Israel over the summer.

## Six the Musical Cast

Mrs Lacey and a small cast of sixth form students are working incredibly hard to prepare for our production of Six - a lively musical portraying the six wives of Henry VIII.

The performances will take place on Thursday 10th and Friday 11th November and this will include matinee performances for students to attend at a discounted rate.

Ticket information will follow in a few weeks but this is not to be missed!

## Year 7 Dedication Service

On Friday 6th September, our new Year 7 students attended a dedication service led by Rev David Wright at St. Peter's Collegiate Church. The students behaved brilliantly and fully demonstrated our Christian values.

The 6th form dedication service will take place on Friday 16th September.

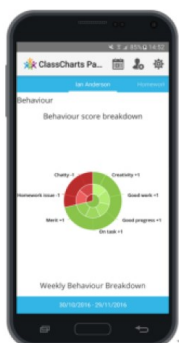

## Enrichment and Enhancement Opportunities in School

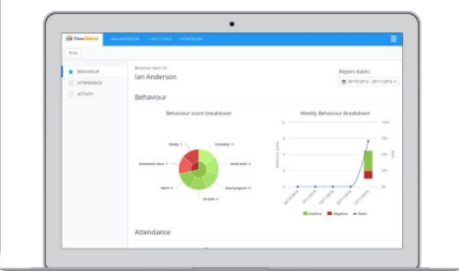

Last year, our outstanding Enrichment and Enhancement calendar offered students a wide range of clubs and activities to access before school, at lunchtimes and after school. These included sports clubs such as Football and Basketball, Music Clubs such as Choir, Concert Band and Training Band, theatre activities such as the school production of Sister Act and many other exciting clubs such as Horrible Histories, Science Club and Bead Club.

This year, staff are working hard to put together another outstanding offering of enrichment and enhancement opportunities for your children to enjoy and experience this year. The calendar will be published next week so keep an eye on the website to find out more.
