Some courses may require you to disclose your criminal conviction status.

We'll only show this question if the course choice requires it.

Criminal convictions

Applied Health & Social Care (top-up) at University of Worcester

This course has entry requirements which ask you to disclose further information regarding any spent or unspent convictions or any past criminal activities, and may also require a criminal records check.

▼ Help with criminal convictions

Further checks may also be required under the Disclosure and Barring Service.

If you have spent or unspent convictions from a court outside Great Britain, additional checks may be carried out depending on the records available in respect of the applicable country.

A criminal records check may show all spent and unspent criminal convictions including (but not limited to) cautions, reprimands, final warnings, bind over orders or similar and, to the extent relevant to this course, may also show details of any minor offences, fixed penalty notices, penalty notices for disorder, ASBOs or VOOs.

Please tick if you have any spent or unspent criminal convictions or other punishments that would show up on a criminal records check? *

If you tick the box you will not be automatically excluded from the application process.

It is recommended that you [read our page on criminal convictions](#) and if these issues are in any way relevant to you, you should obtain further advice from appropriate bodies. UCAS will not be able to assist you in this respect.

You will be asked this question each time you add a course that requires a criminal conviction declaration.

There is a maximum of 5 choices and choice restrictions still apply (a maximum of four courses of medicine, dentistry, veterinary medicine or veterinary science).
