

"This is a good school that is totally driven to be the best that it can be" - Ofsted 2015

St. Bernadette's

Hello, my name is Scarlet Buckmaster, I'm in year 6 and I am a pupil at St. Bernadette's Catholic Primary school (Wombourne). I would like to share some of this school's many wonders with you...

To start with, I'll tell you about the staff and the students. The students here at St. Bernadette's are kind and loyal people, no one ever bullies and no one gets bullied. We work well together not just as a class but as a school. We have many highly skilled teachers and teaching assistants who help us a lot especially Miss Parker (year 5 and year 6 teacher), Mrs. Buckmaster (year 5 and year 6 teaching assistant) and Mrs. Bill (year 5 and year 6 teaching assistant.), who each year help year 6 to get outstanding SATs results. This year 100% of year 6 passed their SATs!!!

Secondly, I'd like to tell you about our classes. As a result of us being a small school, we have two years per class and they each are named after a certain gem. Reception class are called Topaz class, year 1 and year 2 are called Ruby class, year 3 and year 4 are called Emerald class and year 5 and year 6 are called Sapphire class.

Moving on, now I'm going to tell you about how sporty we are. Although we are a small school, this year we have entered several sporting events including football, netball, rugby, cricket, athletics and cross country tournaments and have come 1st and 2nd in lots of them. Mrs. Keegan-Hobbs is very passionate about how sporty we are and is over the moon even if we don't win. Our main goal that we

like to achieve is beating All Saints (Trysull) who are our main enemies!

Next, I'd like to tell you about the school trips that we go on. Each class normally goes on 1-2 educational trips to learn more about a certain topic (normally one they are studying at the time). Year 5 and year 6 also go away for a week to Standon Bowers but this year we went to Scarborough.

Finally, I'd like to tell you about our religion, many people think that because we are a Catholic school that you can't go here unless you are Catholic but they are wrong, whatever the religion you can come to this school, this year we had a Seventh Day Adventist a Christadelphian and two Sikhs along with many other religions in our school. Every second Friday we go to church as well as on other religious days.

There is one last thing to say and that is thank you, so thank you Mrs. Keegan-Hobbs for making this school so amazing I love this school so much and there is no other school that I'd rather be at. That is all I have to say about this outstanding school. If you have anyone who is looking for a primary school to go to then this is the school for you. Thank you for reading this.

Remember this school stands strong

Achieve, Believe and Care.
