

- Myself and my parents/carers, will check my Dojo and emails regularly to keep track of online sessions and learning.
- I understand that my teacher will only be available between 8:00am and 5:00pm.
- I will only use Dojo, email and Google Meet as directed by the teacher and will only upload material that is related to my learning.
- I will not take photos of my screen or record videos or interactions in any way
- I will make sure that my camera is on and that my communication in the online learning environment is always supportive of my learning and the learning and wellbeing of others.
- I understand that my parent/carer is responsible for logging into Meet and the meeting details.
- During any live sessions, my parent/carer must be present in the room or in the next room with the door open so they can see and hear everything that is happening during the live session.
- When taking part in live sessions I will make sure that...
 - my environment is quiet and free from distractions
 - the background (and foreground) is appropriate and as neutral as possible (please be mindful of what is visible behind you/in front of you)

- I am appropriately dressed
- I remain attentive and do not distract the learning of others

- Just like in class, I use the 'hands up' button or unmute myself when I want to speak and will try not to talk over anyone else

- The teacher reserves the right to remove me from the session if they see/hear anything that does not follow the Remote Learning Code of Conduct.

Parents/Carers, please remember...By logging your child on to the online session, you are agreeing to the Remote Learning Code of Conduct and the rules and guidelines set out by your child's class teacher.

Remember what we always say about social media, when you type something, 'it's always there and you can't take it back'. So be careful of what you say and write on ALL of our online learning platforms.
