

## Remote learning survey- Feb 2021

Dear parents and children, we appreciate that this is a very difficult time for us all and that we are all trying our very best just to get through it!

Hopefully, we will all be back at school on March 8<sup>th</sup> (fingers crossed!) but in the meantime, we would really appreciate your feedback on the remote learning we have been providing during lockdown. This will help us when welcoming our families back to school, in understanding how the children are feeling and giving us information to help us with starting points when we finally get back together. It will also help us going forward in case we need to provide on line learning in the future!

If you could please complete this and send in to school/email to me at [headteacher@st-bernadettes.staffs.sch.uk](mailto:headteacher@st-bernadettes.staffs.sch.uk)
