

SFX Preloved Uniform Call

SFX PTA are launching our **Preloved** uniform campaign. Every year over 140 million pounds worth of uniform goes to landfill. All parents and carers know how quickly our children grow out of school uniforms.

“At SFX PTA we believe this scheme, and its focus on recycling, can help not only deliver cost effective benefits for parents but also help spread the important message of sustainability and aid in improving our environment by reducing the amount of uniform in landfill.”

We want **Preloved** items to be put to good use. The benefit to Xaverian parents and carers is saving the expense of replacing lost items and moreover, save on buying expensive new uniform items.

We want you to donate good condition, washed, Preloved items that you no longer need, or that your son has grown out of. SFX PTA want to help all Xaverian families save. You can buy a uniform from us with just an affordable donation of £1.

Families who donate, put a label on the bag with your email address, and age group of uniform. We will email you a number of your virtual raffle ticket (one per family). Your number will be entered into a **raffle with a £300 first prize**. Raffle will be held 1st Oct 2021.
