

Abbeyfields and Stobhillgate First School **Joint Year 4 Time Capsule Project**

Dear Parents/Carers,

I am sure that you will agree that we are living through unprecedented times and these experiences and memories of the Covid19 pandemic will last with us forever.

Our children have been amazing over the past 6 months and we are keen to capture their positivity, resilience and community spirit.

It is clear that this period of time will be studied by school children in years to come, so we therefore, want to make sure that we gather some important historical sources that future generations can use!

The Year 4 children in both schools are going to work collaboratively to share their experiences (virtually) of the Covid19 pandemic. We believe that this will provide a fantastic opportunity to find out about the experiences of other similar children who live in the same town.

We would like to invite the children to send in items for the time capsule: photos, anecdotes, diary entries, rainbows paintings etc and anything that you feel tells their story of the last 6 months. Can these be sent, by Monday 5th October, to:
admin@abbeyfields.the3rivers.net
stobhillgate@the3rivers.net

Once complete, both schools will bury their time capsules in their school grounds enabling children of the future to find out about the lives and experiences of our fabulous Abbeyfields and Stobhillgate children. Obviously we will capture this moment and share it with you all. History in the making.

We look forward to seeing your contributions and hearing about your experiences.

Kind Regards,

Glen Whitehead (Head Teacher of Stobhillgate First School)
Sandra Ford (Head Teacher of Abbeyfields First School)
