## Communication and Language

This half term we are focusing on Nursery Rhymes. On the week commencing 11th November it is Nursery Rhyme week. We will send a nursery rhyme home everyday and it would be great to see you all get involved on Seesaw. We will also focusing on participating in stories and using gestures/signs to tell the story.

## Physical Development

We will continue to have PE each Monday. This half term are learning how to jump on 2 feet whilst landing safely. We will also be moving our bodies in different ways and learning how to move around the hall safely.

## Personal, Social and Emotional Development

This half-term we are developing our understanding of our own feelings and the feelings of others. We are also learning the best way to share and play with others.

## Parental Involvement

We will have a Parent Stay and Play session for Nursery children on Thursday 30th November 2023. This will be from 10.45am until 11.45am. It would be great to see many of you there.

Seesaw - Please feel free to upload any pictures on to Seesaw from home. The children love talking about what they have done at home and it is great to see what they get up to outside of school.

## Literacy

This half term we have two core books. Our first story is Owl Babies by Martin Waddell. We will be learning new vocabulary like swooping, flapping and wishing. Our second story is The Gingerbread Man by Alan Macdonald. The key vocabulary for this story is baking, running, chasing and eating. We will use a story map and actions to help us remember the story and retell it in the correct order. We will also be looking at non-fiction and fiction books that link with our core stories.

Library Books - We will continue to send library books home every Thursday. Please remember to return them on Wednesday. It would be great if you could write a comment about the story and how you and your child enjoyed it in their yellow reading record.

## Maths

In Maths we will be looking into numbers 1-3. This will include how we represent the numbers as well as learning how to subtract.

## Understanding the world

We will be exploring;

- Explore how light and shadows work
- What does nocturnal mean?
- Remembrance Day
- The festival of Diwali

## Expressive Arts and Design

In music we will be learning to understand beats and rhythm by copying simple patterns with body percussion.

In Art we are studying abstract art, in particular the artist Wassily Kandinsky.

## RE

Our key question this half term is 'Why is Christmas special for Christians?' This will include exploring traditions which both Christian and Non-Christians carry out at Christmas, as well as exploring the nativity story.
