Are you an inspirational leader who wants to make a difference to the life chances of young people? Would you like to work in an outstanding, forward thinking over-subscribed Catholic school? Our culture is one of high expectations and this is underpinned by our Catholic ethos. Our students are hardworking, respectful and are a joy to teach.

The opportunity to lead the SEN team as SENCo has arisen following the promotion of our current SENCo. You will be joining a hardworking and dedicated team of Learning Support Assistants (LSAs), who always put our SEN students first. In addition, we are blessed to have a full time Deputy SENCo/Intervention Co-ordinator, as well as a part time SEN admin support.

SEN provision has improved massively in recent years and we are gradually closing the SEN progress gap. Put simply, the successful candidate will need to rapidly eliminate this gap by creating an outstanding SEN department, with timely and measurable interventions, as well as supporting and challenging all staff to ensure our SEN students make outstanding progress.

If you have a passion to see young people succeed, are motivated and resilient and support our Catholic ethos, please download an application pack from our website www.stromeros.co.uk. Please only use the application form included in the pack and follow the instructions on how to apply which can be found in the introductory letter.

Visits to the school are welcomed, and please get in touch if you would like to discuss the role with the Headteacher.

The school has a commitment to safeguarding children and all posts are subject to enhanced DBS clearance, occupational health check and verified professional references.
