Website: www.stromeros.co.uk

St Oscar Romero Catholic High School is an 11-16 mixed, over-subscribed, high-achieving school. Current number on roll 800 (rising to 860 in September 2021)

Required for September 2021

Full Time Teacher of Science (Chemistry preferred but not essential) – TMR/UPR (NQT's welcome to apply)

Are you an inspirational leader who wants to make a difference to the life chances of young people? Would you like to work in an outstanding, forward thinking over-subscribed school? Our culture is one of high expectations and this is underpinned by our Catholic ethos. Our students are hardworking, respectful and a joy to teach.

The Science department are a creative and energetic team, who are always looking for new ways to deliver the curriculum that excite, stretch and provoke curiosity in our students. Their excellent results are evidence of their deep commitment to our students. We are seeking to recruit a new member of the Science team that will bring spark, energy and empathy to the department. We would be happy to receive applications from NQTs.

If you have a passion to see young people succeed, are motivated and resilient and support our Catholic ethos, please download an application pack from our website www.stromeros.co.uk Please only use the application form included in the pack and follow the instructions on how to apply which can be found in the introductory letter.

The school has a commitment to safeguarding children and all posts are subject to enhanced DBS clearance, occupational health check and verified professional references.

Closing date: Wednesday, 5th May 2021
