

## St Oscar Romero Catholic School

### Governors' Areas of Experience

The sixteen members of our governing body, between them, have extensive experience in school governance. They continue to update their expertise with regular training in response to an annual skills audit. However, the governors also bring a wide range of skills to their role from their everyday lives. The table below shows the scope of knowledge that we have available to enhance the work of the governing body at St. Oscar Romeros.

<b>Work Experience</b>	<b>Governors</b>
