

Sussex Learning Trust

ICT Digital Services Technician

37 HOURS PER WEEK, FULL TIME SALARY £22,529 - £26,443 per annum

This is a key role within the Digital Services Team of the Trust, providing a wide range of provision and support services to enhance the delivery of learning and to support our operations. The Digital Services department leads IT infrastructure services, device management, wifi management, and other business systems.

We are looking to recruit an enthusiastic, well-motivated and suitably qualified person who is positive, flexible and well-organised with a 'can do' approach; someone who is hardworking and pro-active, who can work to a programme of work but who can also use their own initiative, with a strong work ethic and time management skills. The ability to work effectively, calmly and often under time pressure is essential.

All of our academies have fully articulated digital strategies and these are led by our central Digital Services team operating from Warden Park Secondary in collaboration with our school leaders and Digital Champions. Warden Park is an Apple Distinguished school and has an extensive deployment of Google for Education across all our schools.

If you are interested in this role and you would like to be considered for this post, please download an application pack, available on our website www.wardenpark.co.uk. Please email your completed application form to jobs@wardenpark.co.uk as soon as possible. Any queries regarding the post can also be directed to this email address.

Sussex Learning Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to an Enhanced DBS check along with other relevant pre-employment checks. We advise applying promptly for this post as we reserve the right to close and interview early if sufficient suitable applications have been received.

Closing Date: 6th June 2022 5.00pm

Interview Dates: 16 and 17 June 2022.
