

# Welfare and Discipline

We aim to create a welcoming, caring environment where relationships are based on respect and to develop a positive self-esteem in each child.

The staff at Marsden Primary School are committed to maintaining high expectations of good behaviour as an essential contribution to the educational experience of the children and to their happiness and well being while in school.

If there is a problem, parents are encouraged to come along to school to discuss it with the, Class Teacher, Deputy Head or Head Teacher. Problems needing extended discussion may require a special appointment to be made so that Staff will be available to help. We expect sensible, responsible and considerate behaviour from every pupil.

These are our "Golden Rules:

1. Everyone has the right to learn
2. Everyone has the right to feel and be safe.
3. Everyone has the right to respect

Each class draws up their own set of rules based on these principles in September each year. Sanctions have been agreed with the children and are in place in each classroom.
