

Your Family Partnership Team at the Dales School

Glynis Burn

Blythdale

Tracy Henderson

Blythdale

Demi Stroughton

Ashdale

We would like to introduce ourselves. We are your Family Partnership team, and we will support you and your family throughout your time at The Dales

How can we help you?

- By being a contact in school to offer advice/ information, or to help you to access other services who may be able to help.
- By supporting you on visits to other agencies or schools.
- By providing workshops or events to enhance adult learning.
- Being available for 1:1 sessions to support you with any issues you are experiencing.
- Helping you build relationships with other parents and carers of children with similar needs.

And much more

Working together we can make a difference!
