

# Grove News #22

Week: 23rd - 27th March 2026

Hi Everyone,

You should have received a letter this week regarding Health and Safety training for all staff next term.

To keep our pupils safe, staff will need to complete essential Team Teach re-accreditation. You can read more about this [training here](#).

As this training must be delivered to small groups of 24, we have taken the difficult decision to close specific classes on different days. **We have added the specific dates below.**

We are incredibly grateful for your understanding and support as we maintain these vital safety standards. We know these closures require flexibility from our families, and we truly appreciate your cooperation in helping us ensure our staff remain fully trained and compliant.

As we head into the final week of the Spring term, on behalf of the staff, thank you for your continued support and we wish you all a very happy Spring holiday.

Best wishes, Lucia Santi - Headteacher
