

Grove News #26

Week: 4th May-8th May 2026

Hi Everyone,

I hope you had a good bank holiday weekend.

Thank you so much for your understanding during the health and safety training dates last week and this week. This means the whole staff team have now completed their annual refresher training. We know this has an impact on the way staff work with our pupils as our data show that physical interventions are on the decrease with only 3 over the course of the Spring term.

Team teach and Positive Behavior Supports focuses almost entirely on de-escalating incidents and preventing the need for any restrictive physical intervention so we have really strong data to tell us that the training is extremely successful.

Thank you again for your support with this,

Best wishes, Lucia Santi - Headteacher

CAMHS and Haringey Educational Psychology service are leading a series of ADHD workshops.

12th May - ADHD and managing behaviour challenges at home. **16th June** - ADHD and autism/co-occurring conditions. **21st July** - Talking to your child about ADHD

Book a place: <https://sendpowerinharingey.eventbrite.com>

Mental Health Awareness Week

Monday 11th - Friday 15th May 2026:

To support mental Health Awareness Week there will be a variety of drop in sessions with Ms Huseyin.

Classroom activities and assemblies will take place to recognise and understand more about mental health.

To round the week off all pupils can wear **yellow clothing** to school on **Friday 15th May**.

You can read more about it [here via this link](#)
