PARENT CONSULTATIONS: CHANGES THIS TERM

We will not be scheduling appointments for maths. Instead, there will be a drop in available to talk to **Ms Ruth**, who has been covering in Mr Sean's absence.

Because of the school residential trip next week, **Ms Lottie** will run her parent and carer meetings the week after. **Northern** class families will not be sent appointment times for Friday 13th November. We will contact you separately to arrange bespoke appointment times.

HARINGEY EHCP CO-ORDINATOR: POST 16

Haringey have shared a leaflet introducing **Laura Gaughan** as the Post 16 EHCP co-ordinator. You can read it here: Haringey Post 16 EHCP leaflet.

The leaflet outlines the role Laura plays in supporting families, and what the local authority does not offer. Most importantly, the local authority is clear that it does not:

Attend all annual reviews, due to capacity. It will attend transition annual reviews when possible, and of course emergency annual reviews.
Offer career guidance or advice about next steps for young people.
Lead the annual review meetings held by settings. The local authority is there to gather information about the young person's pathway and to make amendments to the EHCP if necessary.
Gather relevant professional advice for annual reviews, including CAMHS and Social Care. This is the responsibility of the setting.

SEND PATHWAYS TO EMPLOYMENT EVENT

Find out about workplace support, Access to Work and reasonable adjustments.
Speak with services providing specialist SEND employment advice for Haringey residents.
The event is **free to attend**, but you need to register in advance. Full details, including how to register, are on the event flyer.
