

Trinity Catholic High School

Headmaster: Dr P C Doherty OBE, BA (Hons), DPhil (Oxon), FRSA

January 2021

Dear Parents/Guardians,

Re: Darius Project 2021 – Remote Learning Block A

As detailed in my previous letter dated December 2020, the school offers a special feature of the revision process aimed at raising standards called the Darius programme. It is a well-established intervention programme that is implemented to raise achievement for students by revisiting key threshold material and building on this learning to ensure rapid progress.

During the period of national lockdown Darius will now be delivered remotely. You will find details of Darius block A below. All revision lessons will take place between 3.45pm – 4.30pm, beginning 25th January. Darius will be provided in the main through real-time live lessons and access to high-quality online and offline resources that are linked to the school's curriculum expectations, including additional technologies that suit specific departments and students. Teachers will make use of schedulers on Teams so students know when a Darius session is coming up. All students are expected to follow the existing remote learning code of conduct for Darius lessons.

Block A: 25th Jan - 12th Feb (3 weeks)

Monday: Drama, PE, Art, Economics

Tuesday: Science

Wednesday: English

Thursday: Mathematics

Friday: RE

Students will be selected by teachers for the online Darius programme in block A and subject teachers will write to you to inform you of what online classes your son/daughter must attend. Staff will keep a register of students that are attending these classes. If for any reason your son/daughter cannot attend a Darius class, a parental email must be provided to the class teacher at least 24 hours in advance of the class or on the next day if the absence is due to illness. Students who are not invited to Darius sessions will have access to the materials and video following the session so that there is equality for all.

Yours Sincerely,

Dr P C Doherty OBE

Headmaster
