1. Choose one subject only from each option block.
2. One of your choices **MUST** be **RE**.
3. If you wish to fulfil the **EBacc** you need to choose a **language** and **History** or **Geography** as two of your options.
4. If you wish to study the three sciences separately you need to choose Separate Sciences as one of your options.
5. The subject combination of Business and Economics would not allow a broad curriculum.
