

Friday 12th June 2026

Dear Parents and Carers,

I am delighted to share some exciting news with you! Bosco has joined us this term as our official school dog!

The evidence for school dogs is strong as they support students' emotional wellbeing, reduce anxiety, and create a calmer, warmer environment.

For students going through difficult moments, time with Bosco offers something no lesson or intervention quite replicates - he will make a real difference.

Bosco is well trained and has experience as a school dog from when I was at my previous school and since he was a puppy. However, in line with Health and Safety rules we have carried out a full risk assessment which has been signed off by the Chair of Governors. He will never be left unsupervised with students and access to him will always be managed by me personally.

We know some students have allergies or sensitivities to dogs. If your child is affected, please inform the Student Support Hub so we can ensure appropriate arrangements are in place.

His name, as you might have guessed, is a nod to Saint John Bosco, patron saint of young people.

We are proud to welcome him to Trinity!

Kind regards,

Declan Linnane
Headteacher
