Parent comments include:

- I am pleased to hear from my child that the teaching staff are from more diverse ethnicities than in previous years. It is important that this is proportionate to the child population.
- I recommend Trinity to many parents. I am so lucky to have Trinity for my children. I wish that all children could shake off self-consciousness and take up the clubs on offer - I appreciate how the whole community of staff at Trinity are so kind and supportive and responsive to my endless questions and concerns. All departments have shown great care for the T&L as well as the pastoral side of school life as far as my children are concerned.
- Trinity has given my child the foundations to be successful both academically and socially. He has gained good friendship groups, a good understanding of the world and what is expected, resulting in him making right choices. I am proud to say my child attends Trinity school. Thank you.
- My son is very happy at school. He is flourishing and we are very pleased with his progress academically. His faith as deepened. He has teachers he can go to if he is worried about anything. We would, and do, recommend this school to other parents.
- My daughter is thriving in the school environment.
- Overall happy with school.
- My son is generally happy in school, he made good friends and he started in a fantastic form in Y7: that was 7T 3 years ago, great group of kids.
