

The UK Safer Internet Centre says that the internet is a brilliant place to connect with others, to be creative and to discover new things. They have produced a number of resources for 11-19 year olds on the following topics:

- Protect your online reputation
- Know where to find help
- Don't give in to pressure
- Respect the law
- Acknowledge your sources

Click on the UK Safer Internet Centre logo at the top of the page to access the resources.
